Our goal is to help as many Units as possible kick off the new Scouting season with a chance to get in some fun activities in the great outdoors. We will act as coordinators to assist you with following the steps to make this a simple trip. The USNWC has added to the fun with new programs this year. You can bring family & friends and use this as your Troop or Crew Open House to help build your unit. This event is planned for ages 11 and up. If you have questions, just ask. We are here to serve you & Build a stronger Youth Program. Note: Mountain Biking will require a credit card deposit while biking. **CHECK THE WEB SITE & PLAN AHEAD!**

Your Unit can make this a day trip or camp nearby for the weekend.
